

We are hiring a Scan2BIM-technician – BIM modelling

Skel.dk is a surveying company in Denmark. Our 3D-scanning department have grown into one of the most ambitious and innovative in the country over the last couple of years. The department is very busy, which is why we are scouting for new members to join our team of 3D-experts.

TO CONTINUE THE PROGRESS AND GROWTH IN OUR 3D-SCANNING DEPARTMENT, WE NEED HELP WITH THE FOLLOWING

- 2D/3D-modelling in Revit based on point clouds
- BIM-modelling from 3D-scanning

WE EXPECT THAT YOU HAVE EXPERIENCE IN THESE AREAS

- Revit-modeling, and also be familiar with the Family Editor
- Navisworks
- Microstation, Autocad
- Rhino is a plus
- Revit Dynamo is a plus

YOUR PROFESSIONAL BACKGROUND

- Survey engineer
- Architect
- Engineer
- Other

EXPERIENCE

- BIM-Modelling: 2 years minimum
- 3D laser scanning (is a plus)

REQUIRED QUALIFICATIONS

- Open-minded; passionate about seeking out new opportunities to contribute to our 3D-scanning team
- Ability to innovate and find new opportunities to push the envelope for best VDC/BIM practices
- Good verbal- and communication skills in English
- Excellent time management skills with the ability to handle multiple projects at the same time
- Self-motivated for continuous learning and improving technical and interpersonal skills
- The ability to demonstrate dedication and a positive team attitude

LOCATION

You can work online from your own location (city and country). We will provide the necessary equipment (hardware and software) and cover for any required travel expenses.

SALARY

Follows the average national salary in Denmark.

ABOUT THE COMPANY SKEL.DK LANDINSPEKTØRER

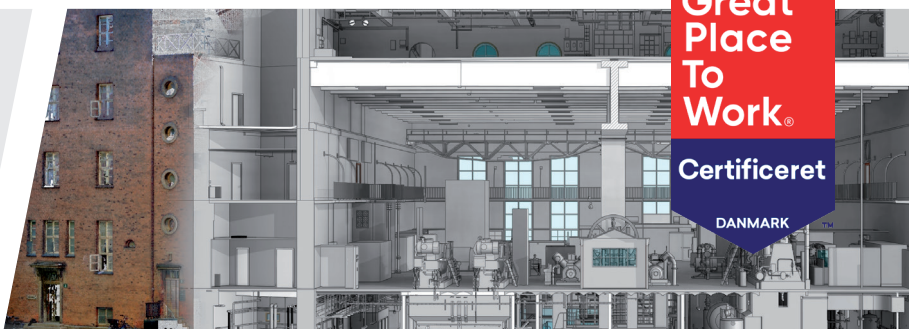

We are a partner-driven land-surveying company with around 100 employees divided between 6 offices located in Denmark. Skel.dk provides land surveyor services to everyone from smaller private customers, the public sector and to large contractors working with some of the biggest and most complex projects around the country. We have a strong ambition about being one of the best workplaces in Denmark and have, for multiple years, been Great Place To work certified.

QUESTIONS AND CONTACT

If you have any questions regarding the job, please contact Teamleader for the 3D-scanning department, Soran Khani, skh@skel.dk or +45 44 14 12 42. We need your application as soon as possible.
